MESSAGE BY HON'BLE CHANCELLOR

We are happy to bring to you the second edition of the yearly newsletter from Delhi NCR Campus. In the last one year, our campus has undergone tremendous change and offered new opportunities to its students and faculty. It offers academic oriented atmosphere appropriate for pursuing higher education, grooming the students throughout the semester to eventually meet their career goals by making them work on special projects and participate in events that enhances their knowledge and world view. Annual events such as Rubaroo and Innovate give the students a platform to showcase their talent and skills by inviting teams across various colleges, institutes and universities to compete with each other. Industry visits, summer training and research projects keep the students and the faculty engaged in working towards a solution focused better tomorrow.

In keeping with the mission and vision of SRMIST to impart high quality technical and managerial education coupled with appropriate training and wide exposure to state-of-art practices, we continue to invest in the all-round development of our students through a right blend of theoretical and practical knowledge by equally focussing on building technical skills and training soft skills as part of the academic calendar.

I encourage faculty and students to team together and continue to work hard and strive towards shaping a better tomorrow for all by sharing their ideas and views and continue to present the highlights of their success through the medium of the campus newsletter. My best wishes to everyone!

Dr. T.R. PAARIVENDHAR

Member of Parliament (Lok Sabha), Perambalur Constituency, Tamil Nadu
Founder & Chancellor, SRM Institute of Science and Technology

MESSAGE BY HON'BLE VICE-CHANCELLOR

Dear Students,

It gives us immense pleasure to welcome you all to SRM Institute of Science and Technology Delhi- NCR Campus as you begin your new academic journey. It is not by accident that you have chosen to pursue your future at the SRM family for you have come to an institution that has been carefully nurtured over the years by a Management that has always placed a premium on quality of education.

As you settle down you will find SRM offers a fine chance to chase your dreams with passion. Your teachers here have been carefully chosen and will make you feel comfortable not only in a classroom setting but beyond as well. It is this bond right from the first semester that sets the environment for the duration of your study. The fine interaction between students and their teachers has always paid rich dividends. And nothing stops you from pursuing your own interests; we will only be too glad to step in with our contributions, intellectually and financially.

Gradually you will also realize that SRM goes far beyond academics. It is an institution that has an accent on research, a critical component of our future. Your professors will instill a sense of interest and curiosity that will want you to get involved in probing for deeper meanings and conclusions. Research and innovations are two things that SRM attaches a lot of importance - aside from personal and professional satisfaction, it helps this institution to contribute to industrial & societal needs.

Many of you have come from the four corners of India or for that matter even from far away countries. Let me tell you that SRM has such a rich diversity of people that makes it such a fun place to be in. Use the occasion to enjoy newer things in life - friends, languages, food, for instance!

Welcome to the SRM Family and I wish each and every one of you the very best.

GOD BLESS!

Dr. SANDEEP SANCHETI

Vice Chancellor

SRM Institute of Science and Technology

SEMESTER ABROAD PROGRAMME (SAP)

SRM University is recognized across the country for its high standards of education, exciting opportunities and excellent placement. We are among the first few universities in India to offer a Semester Abroad Program (SAP), a unique initiative that provides students who have completed two full years in undergraduate or one full year in masters programme with a CGPA of not less than 8.0 to gain international exposure and global opportunities by enrolling themselves in universities abroad.

The aspiring students who meet the requirements may be awarded scholarships to select prestigious universities across the world including Massachusetts Institute of Technology, Carnegie Mellon, Northeastern University, UC Davis, SUNY Buffalo, University of Wisconsin, Lille Catholic University, University of Western Australia, University of Warwick, Lancaster University, La Trobe University, NUS, NTIJ, Kyushu Institute of Technology, Chemnitz University of Technology, University of Auckland and many others.

This priceless exposure to a whole new sphere of learning brightens their job prospects in India and abroad and more importantly creates graduates who are future ready.

Ms. Sanjana (Genetic Engg) at Warwick, UK

"Coming to Warwick as a part of the Dual Degree Programme was perhaps the best decision I ever made! I shall be getting both my B.Tech and M.Sc degrees in just 4 years, ahead of my peers. And, we will be allowed to work 2 years after graduation here. Warwick has the best research labs and many eminent scientists - and has opened up exciting opportunities for SRMites."

Mr. Taran Bedi (EEE) at UWM, USA

"I am excited to have got transferred to the University of Wisconsin, Milwaukee at the end of my third year at SRM. Will be completing my BS and MS at the US in just two years, saving cost and time. Many thanks for opening up this world of opportunity for me. I never dreamt about this, even a year ago."

Mr. Omar Mehta, SAP Transfer to University of Wisconsin, USA

"The Semester Abroad Program has greatly helped me improve and sharpen not just my academic skills but has also benefited my future career prospects and has given me the right direction to streamline my efforts. Getting accepted for Masters in Computer Science at University of Wisconsin-Milwaukee, after completing a year as a Transfer Student is a great example in itself for the success of the Semester Abroad Program at SRM University. Also, Being offered a Project Assistant ship position to Financially Support my Studies and gain Knowledge with Research, amounts to the Huge Success of SAP."

TESTIMONIALS

I will cherish the years spent at SRM IST for a lifetime. I want to thank the faculty members for their constant support and encouragement. They have challenged and pushed me to be more creative and productive in my projects. Placement cell has also guided and helped us a lot in securing placements. It's been a privilege to be a part of this institution.

Aakriti Pal, (RA1511003030002)

Company- Mu-Sigma, Package : ₹21LPA for 3 years

It was a very enriching experience and a huge opportunity. I would like to thank all the faculty members for helping us around the clock, whenever we needed their help.

Roby Jose, (RA1511003030039)

Company: Mu Sigma, Package : ₹21LPA for 3 yrs

The faculty and management at SRM IST believes in helping and guiding its students continuously to achieve their goals. Regular classes held at our college to help us with our aptitude and technical skills were of great help. Our placement officers encouraged us at each step thereby helping me secure my placement at such a reputed company.

Mahima Roy (RA1511003030163)

Company: MuSigma, Package: ₹21LPA for 3 years

It was a great journey at SRM, 4 long years gave me a lot of exposure and opportunities to discover my hidden talents and excel in them. Special thanks to all my faculty members for making me what I am today. It's the teaching and guidance of SRM which helped me scale the heights of success. Today I can proudly say that I am glad to be a part of this esteemed institution.

Snehal Poddar (RA1511008030115)

Company : MUSigma, Package : ₹21LPA (3 yrs)

During my stay of four years at SRM IST, I received a lot of opportunities to groom myself, thanks to my ever inspiring mentors who helped me to discover my hidden talents. With their guidance and constant mentoring I have been able to become a true professional in all the facets of life. Thanks to guidance provided by the Training & Placement Department, without their help I would not have been placed in such a reputed company.

Sparsh Agrawal, (RA1511003030069), Company: MuSigma

Business Solutions Pvt. Ltd., Package : ₹21LPA for 3 years

SRM Institute Of Science & Technology is beyond just an Institution. SRM has not only moulded my personality but has also shaped my career. I am grateful to the entire faculty members for their continuous efforts and support.

Vanya Grover (RA1511008030137)

Company : Barclays, Package : ₹8LPA

I would like to thank and appreciate each and every person related to the Placement Office and Career Development Centre (CDC) for their efforts, as their initiatives and hard work have given us such an opportunity to take our first step towards a successful career. Due to SRM, I was fortunate to get selected in TCS in spite of a rigorous technical skills test.

Harsh Agarwal, (RA1511003030089)

Company: TCS Digital, Package : ₹7.5LPA

At SRM IST, right from the very first year, there was always some buzz related to interview placement etc. So an environment of preparation was there for what was yet to come in 4th year. All these years, the faculties shared their learning experiences with students, special workshops and classes were also held regularly. I am very thankful to the faculties, placement coordinators, my seniors, dean sir, and director sir for all the support and help they have provided throughout my entire college life.

Shivang Keshari, (RA1511003030043)

Company: Dell Technologies, Package : ₹7.5LPA

I would like to extend my sincere gratitude to the institution and to my teachers for paving the way for my better future by helping me in getting my dream job.

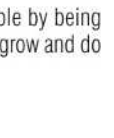

Divyank Sachdeva (RA1511003030557)

Company: Duta Software, Package : ₹7.2LPA

The study environment was very good. The teachers played an important role by being really helpful. Everything was challenging for me, but they motivated me to grow and do well.

Yash Kumar, Company : BYJU, Package : ₹7LPA

SRM Institute of Science and Technology is a place of opportunities and placements are a major part of it. I am very grateful to the Placement Head, NCR Campus for her constant support and her efforts in providing maximum placement opportunities to the students. The Aptitude training provided by Career Development Centre (CDC) helped me to clear the online test. As for the technical skills on Java and its technologies, my faculty members at SRM provided right direction to my career. At last, I would like to thank SRM for putting so much effort on the students and helping us for our betterment.

Divanshu Srivastava, (RA1511003030244)

Our placement administration officers also guided and encouraged us at each and every step thereby helping me secure my placement at such a reputed company. It was an amazing experience.

Tushar Khandelwal, (RA1511003030235)

Company: TCS Digital, Package : ₹7LPA

I got placed in Coviam Technologies because of the efforts put by our faculties and Training and Placement cell. SRM IST provided me with great exposure to various fields and technologies which has helped me grow into a better person.

Abhilasha Gupta, (RA1511003030028)

Company : Coviam Technologies, Package : ₹7LPA

Being a part of an institution of repute brings huge confidence in any student to develop into a better person on both professional and personal fronts. When I was in 7th Semester (4th year), I was one among the 5000 odd students who were competing for a placement via campus. SRM made me realise that nobody can beat you or fail you until you lose the fight with yourself. Amidst a positive and supportive environment I was destined to be successful.

Utkarsh Srivastava (RA1511008030086),

Company : BYJU, Package : ₹7LPA

Due to the efforts made by the faculty and placement cell at SRM Institute of Science and Technology I was able to bag a job in the core company of my respective field. The faculty members worked so hard on our overall development. SRM IST provides a great platform for skills enhancement and to get a great learning experience.

Mahima Vinayak, (RA1511003030208),
