ACADEMIC CURRICULA

UNDERGRADUATE DEGREE PROGRAMME

Bachelor of Arts in English (B.A English)

Three Years

Learning Outcomes Based Curriculum framework(LOCF)

Academic Year

2020 - 2021

SRM INSTITUTE OF SCIENCE AND TECHNOLOGY

(Deemed to be University u/s 3 of UGC Act, 1956)

Kattankulathur- 603203, Chengalpattu District, Tamil Nadu, India

1. Departme	Department Vision Statement												
	To create a conducive academic environment by promoting new areas of research, challenging courses, innovative teaching methods, learner centric curriculum.												
Stmt - 2	To provide students with necessary resources and skills to meet emerging global trends and challenges.												
Stmt - 3	To inculcate human, social and professional values through humanities education.												

2. Department Mission Statement										
Stmt - 1	To enable young minds to acquire knowledge, values and skills in humanities and languages and to use them for social transformation.									
Stmt - 2	To equip students with communicative and discursive skills to compete globally.									
Stmt - 3	To be innovative in designing curriculum and methods of teaching to make it more learner-centric.									
Stmt - 4	To intensify humanities and language research by providing opportunities and ambience to our faculty members and scholars.									
Stmt - 5	To expand the scope of the department by offering Online Diploma Programs, Training Programs and MOOCs.									

3. Program	3. Program Education Objectives (PEO)										
PEO - 1	To provide the students an in-depth understanding of the basic concepts of Literary Studies.										
PEO - 2	To develop student skill in problems solving, critical thinking and analytical reasoning.										
PEO - 3	To pursue higher studies, research and analysis invarious disciplines of English Studies.										
PEO - 4	To instil in students a sense of social responsibility by providing opportunities to be a part of community life.										
PEO - 5	To provide students with holistic development through participatory learning.										

4. Program	Specific Outcomes (PSO)
PSO - 1	To introduce the learners to the basic genres of literature and the making of it.
PSO - 2	To sensitize the learners to the nuances of language in literary works and the ways in which it creates various patterns and reading possibilities.
PSO - 3	To enhance the critical and creative thinking of the learners to enable them to appreciate life and letters.

5. Consistency of PEO's with Mission of the Department												
	Mission Stmt 1	Mission Stmt 2	Mission Stmt 3	Mission Stmt 4	Mission Stmt. – 5

	ation our)	12	12	12	12	12
S-1		poetry writing will be done		Story through images is explained to the students	The definition and purpose of monologue is explained	Homophones and Homonyms are to be explained in the class along with examples of usage.
	SLO- 2	The rationale behind this unit will be discussed.		The students are asked to create their own stories from those images		How where and when these as vocabulary can be used is to be explained
S-2	SLO- 1	Feminism through Kamaladas' poem' In Kindergarten' is explained	Mathraboothan and the mother tongue influence in English – a discussion		The learners are made to create their own monologue contents.	Cross word puzzles are to be given to the students to make them understand the differences and usage of homophones and homonyms
	SLO- 2	feminist critique's stand through poets like Meena Kandasamy is discussed		How to identify irony and sarcasm is taught	The contents are assessed and the lacuna is informed	The students are evaluated by making them use homophones and homonyms on their own
S-3	SLO- 1	Kandasamy is invited to read	Mainninoonamisialloni ano	International Political memes to be created in the class	Discuss the contents created by the students and reiterate the idea that a monologue should mimic a story and has to have a proper beginning middle and an end.	How exactly to decide a proper word at a given situation is to be practically explained in the class.

	SLO- 2	Questions on her perspectives are to be posed by the students		Memes on popular issues to be created in the class	The created monologues are to be assessed by the students themselves	Mundane situations are to be given to the students to check their ability to use those words
S-4	SLO- 1		The structure of sentence in English and the distorsion of the sentence isverified	Autobiography and biography differences are explained	To ask the students to bringnewspaper to class and makethem select a column and readitloudly.	To give all the parts of speech not according to the grammar book order but according to a method which would easily make one understand correlation of one with the other. For instance – Noun, Pronoun, Adjective, Verb, Adverb will have to be the order
	SLO- 2	Different legal situations where both the genders suffer is explained in the class		Certain Classic autobiographies and biographies are presented	No meaningis to beexplained. Just the flow is to bechecked.	The students are made to use as many adjectives as possible for describing their friends
0.5	SLO- 1			How to give voice to an inanimate object.	Another reading loud session of the same passages are to be conducted along with dictionary checking for meanings are to be done.	The parts of speech must beused in different sentences
S-5	SLO- 2	Questions on her perspectives are to be posed by the students	The attitudes of people in a ludicrous manner is discussed	Different objects are given to the students and they are asked to give autobiographical notes to them	The new meanings that the students get must be compared with the given word and the distance between the meanings are to be explained	the teacherought to use the board to draw a situation to make one understandeachpart's usage.
S-6		Seminar to generate discussion to enhance gender sensitivity is conducted	dotail	Practically test the students in class by giving them different concrete objects.	To make them compare and realize how they had overcome their fear for English	Along with parts of speech particularly when Verb is being taught Tenses ought to be taught with same methodology mentioned above.
		Case studies are to be incorporated by the students in their seminar	More insignts into indian English is given	Ask the students to evaluate each other's autobiography on concrete objects	The comprehensive techniques are taught	The students are asked to create a lighter vein situation and asked to use all the tenses
S-7	SLO- 1		Neutral accent is taught along with right pronunciation	Caption writing is taught	To develop the ability to pick up a conversation istaugh	The rules of Tenses are taught with live examples in the classes.
		. how much are the students able to relate with or able to feel emotionally for those situations is to be checked and analysed	Test is to be conducted to check how far a student is able to understand neutral accent	The purpose of the caption writing is to be instilled	to engage in conversations and be able to interupt and end conversation appropriatelywilllbetaught	Ability to use all the rules in tenses is taught.
6.0	SLO- 1	Case studies to be given to the students to document their reactions	Mr Mathruboothamisfullysupport ing all new technologies – discussion	Different examples for captions are given	Different situations to be given to the students to engage in a conversation.	The basic way to pick an error is by already knowing the rules of grammar thoroughly.
S-8		Find out if there is any student finding it hard to emote or is insensitive toward the moment	Humor and sarcasmisskimmedfrom the text	The studenst are asked to create captions similar to the ones shown in the class	The students are asked to find errors in each others' monologue	Hence all the rules are to be brushed up
S-9		Students are to made to createtheirownenactable content on the prevailinggenderinequalities		The students are made to give captions different news articles, products and situations	To test how much one is able to use ironyhumor and sarcasm in one's conversation	Excercises on all sorts of possible errors are given to the students and asked to rectify.
	SLO- 2	The students are asked to improvise on dialogue on theirown	The way sentences are constructed according to the regional impact is discussed	The best is appreciated for its qualities of being best	Natural usage of punisexplained	Mathrabootham's passages are given to the studentsagain to check the errors.
S-10	SLO- 1		Mr Mathruboothamfoodrecipiew	Public Speakingexamplessince Julius Caesar to Martin Luther isgiven	To teachdifferentkinds of readingskimming scanning and intensive reading extensive reading is taught	Definesynonym and antonym. Ask the sudents to identifysynonyms and antonyms in text.

	2	False allegations and Legal situations sometimes created by women to corner men only degrades the freedom struggle of women – discuss	The students are made to explain the textthemselves	The techniques used by different leaders sinceagesisdiscussed	practicallyasked to use thosemethodology to	Demonstartetheriunderstanding of synonyms and antonyms in active learning. Introduce thesaurus reference.
	1	A detailed discussion on the 4 poets is done in the class through comparative method	students to rewrite first two	The Ted X talks are played in the class, different political leader's canvasing is presented	The students are made to	Demeonstrateunderstanding of words by relatingthem to their opposites (antonyms)
S-11	2	While comparison the students are able to get a deeper analytical way of thinking and are able to present an all encompassed points	Check if they are able to retain the humor in the text after correcting the sentences	What makes a talk impressive is identified and discussed	The students are asked questions from the passages to check their retention capacity	Demonstrateunderstanding of wordswithsimilar but not identicalmeanings (synonyms)
S 12	1		Identify the errors and make the students to rewrite the last two texts	The students are givendifferent topics to give impromptu	from the given passages and	With the studentsbrainstormshortlist of commonlyusedwords
S-12	2	The overall development in the student's EQ pertaining to gender oriented issues will be sensible and objective.	Check if they are able to retain the humor in the text after correcting the sentences. Explain the result to them	The best talk isrecorded and made available for other'srefferences		Askthem to rapidlygivesynonyms and antonyms to thosewords

Course	LIEN/2080/I	Course	Sominor	Course	c	Skill Enhancement Course	L	Т	Р	С
Code	UEN20S04L	Name	Seminar	Category	3	Skill Enhancement Course	0	0	4	2

- The course is solely a practice based internal course with an objective to enhance critical thinking, academic intelligence, deep reading and researching skills of the students.
- It is completely a student centric course, where every student has the right to choose 4 topics in the area of his/her interest from literature or its allied domains and students will be asked to prepare Four seminar papers each, being guided by the course instructor. Finally, they will present the critical ideas in the seminar. The ideas will be open for discussion.
- The students will be encouraged to do meticulous and ethical research by using technological tools.
- The department will constitute a committee to continuously assess the students and to give feedback for further improvement.
- The committee will assess student's Subject knowledge, critical analysis, language articulation, referencing and academic integrity.
