

Ref. No. SRM-NCR/Dean/Circular/11/2024/1833

Date: 04/11/2024

## **CIRCULAR**

This is to inform all the final year students of the batch 2025 that more number of companies now prefer physical interactions with students, and are willing to conduct face to face drives from our main campus as centralized placement processes.

It is therefore advised to all our students that being in person at the main campus, Chennai could significantly enhance the chances of securing opportunities with recruiters. The benefits of attending these in-person drives cannot be overstated. Most companies now only prefer face-to-face interactions to assess skills more holistically, and being physically present will give our students a competitive advantage. Additionally, you'll get to engage directly with industry experts, network with peers from across campuses, and gain firsthand experience in corporate interactions.

All students those who are interested in taking campus placements shall plan their journey and accommodation arrangements in advance.

As previously communicated, students must also submit an affidavit along with a completed NOC (No Objection Certificate) form. Please send these documents via email to the NCR Placement Office to obtain your NOC.

"Today's efforts shape tomorrow's success". Wish you all the best for your efforts for the placement.

  
**Dr. R.P. Mahapatra**  
**Dean**
